  - b. Must win by two points
3. At the end of each game, teams will change sides of the court.
4. Each match is three games in length. If a team wins the first two games, the third game will be played because the league standings will total all games won or lost during the season.
5. The Parks and Recreation Department will supply the balls. If you are the first game of the night, please pick up the ball tub and scoresheet clipboards from the Campbell Park concession stand. If you are the last game of the night, please return to the concession stand. Thank you
6. Each team is responsible for recording their score for each game. Please confirm with your opposing team's captain that the score was written down correctly.
7. Coed: No more than six players are allowed on a side of the court at one time. Each team must have four players at the start of the match. At least 50% of the team playing must always be women.

### B. THE SERVE

1. Before match play, the captains of the teams will flip a coin or teams will volley to determine who serves first. The serve for the second and third game is awarded to the loser of the preceding game.
2. The right, back player of the serving team shall be the server of the game. Thereafter all players on the team which are to serve, rotate clockwise when side-out is declared.
3. Substitutions must rotate into the server's position.
4. The ball must not be served until opponents are ready and in proper position.
5. Before each serve the server must call out the score, saying their score first, then the score of opponent.
6. The serving order and positions on the court at service shall be alternation of male and female or vice-versa.
7. **To be eligible to play, the player's name and signature must be on Team Roster Form. All roster forms must be turned in by the first night of competition to the Parks & Recreation office or the nightly Campbell Park Site Supervisor.**

8. **To add a player, a form must be filled out with the player's name and signature. The form must be turned in before the start of the match.**

### C. PLAYING THE GAME

2. When a conflict of in/out, or other violations exists, please simply replay the point.
